

Holy Name Monastery is a place from which God's love and peace flow. The Benedictine Sisters of Florida are an inspiring beacon of light who open their hearts and home of worship, community and hospitality for all.

The Sisters have served in the St. Leo area and throughout the state of Florida since 1889. They feel a deep and abiding commitment to share the Rule of Saint Benedict with those they encounter. The values found in the Rule are based on Jesus' teachings.

*As we progress in this way of life  
and in faith, we shall run  
on the path of  
God's commandments,  
our hearts overflowing with the  
inexpressible delight of love.*
